

**Hello, Welcome to Your Live Coding CAT.**

**WEB DEVELOPMENT SCHOLARSHIP 2022  
BRAVE MID MORNING CLASS  
11 am-2 pm**

**Instructions**

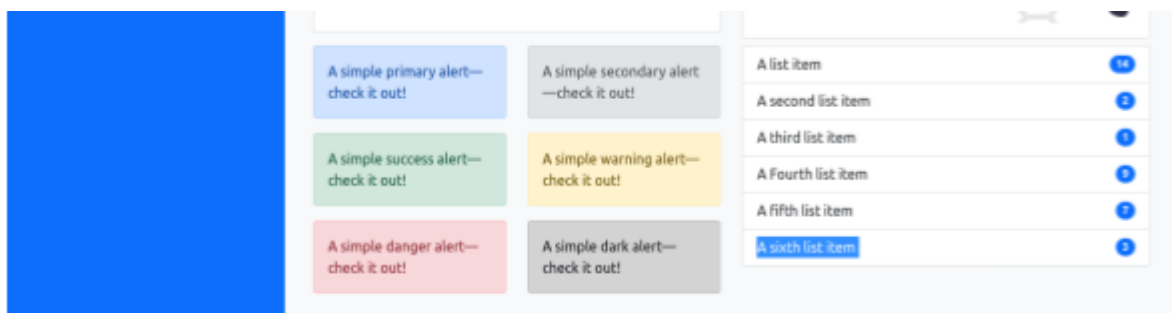

There are two sections in this CAT

**Section A**

1. Answer all the questions in section A within the time limit set 3 hrs
2. Submit a screen-shot of the system display and the code section of the specific question to the LMS
3. Questions 1, 2, and 3 in section A require you to have the bootstrap Dashboard example tackled in class

**Answer All The Questions Below**

1. On the Menu bar on the left of your dashboard, create a new link and make it a drop-down menu that can access two more items. (*hint~ Use Bootstrap Dropdown Menus*)
2. Make your Message Icon on the dashboard clickable to display a list of messages. (*hint~ You can use the Collapse or the Dropdown Menu*)
3. Create a Column on the dashboard to try and achieve the design below. (*hint Use Alert boxes and List Items*)

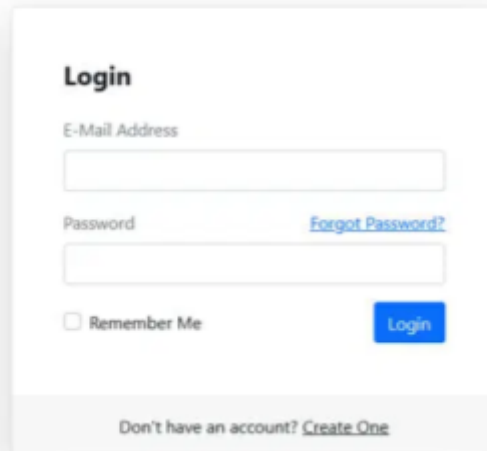

## **Section B**

**This section is Take away**

**This is to be submitted on Friday by 6.00 pm.**

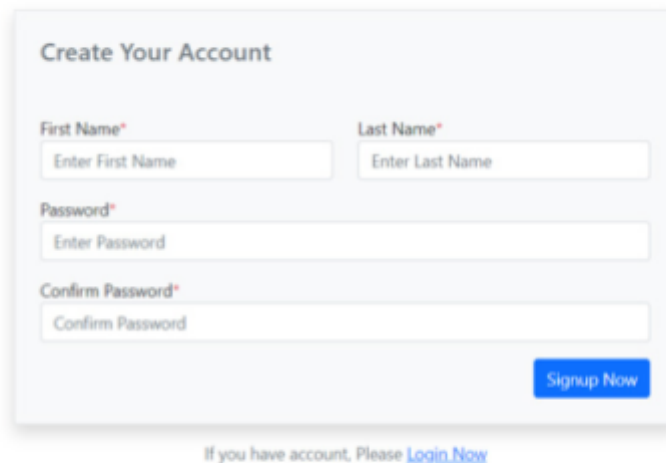

4. Using HTML, CSS, and Bootstrap Design a login page. Use Figure 1 as your guide for design. Link the login button to the Dashboard page

A login form titled "Login" with a light gray background. It contains two input fields: "E-Mail Address" and "Password". Below the password field is a checkbox labeled "Remember Me" and a blue "Login" button. A link "Forgot Password?" is positioned to the right of the password field. At the bottom, there is a link "Don't have an account? Create One".

Figure 1

5. Using Bootstrap, HTML, and CSS, Create a Signup Form. Use figure 2 as a guide for your design. Link the Login Page to a Signup Page using the text [Create One](#) as shown above.

A signup form titled "Create Your Account" with a light gray background. It contains four input fields: "First Name\*", "Last Name\*", "Password\*", and "Confirm Password\*". Below the "Confirm Password\*" field is a blue "Signup Now" button. At the bottom, there is a link "If you have account, Please Login Now".
